Hi Kareen,

If this works and you can pass it along to Mayor Rabideau and the Village Board Members, I would appreciate it.

Thank you,
Beth Edgley

To the Editor,

We read with interest the recent article addressing the possible makeover of the “Lake Flower Intersection”, which is comprised of River Street, Brandy Brook and Lake Flower Avenues. We agree, a change is needed, especially with the addition of the Saranac Waterfront Lodge in the near future.

We support the idea of a roundabout and hope the Village Board and DOT will look closely at this option. We have spent considerable time in an area that has several roundabouts and have experienced first hand their efficiency. A U.S. Dept. of Transportation study conducted in June 2017 showed that “roundabouts have been proven to be the safest type of intersection. Statistically, a roundabout is much safer to negotiate than traditional traffic intersections.” Roundabouts are known to improve safety and reduce crashes; reduce congestion and pollution; reduce the amount of time drivers spend idling, which in turn reduces vehicle emissions and fuel consumption, thus saving money. Drivers travel with a lower speed in roundabouts which means pedestrians have far less risk managing the crosswalks.

We frequently travel thru the current intersection and are well aware of the delays and confusion that often occur at this location. A redesign which would provide a positive and safer impact would be welcomed. We urge the committees involved with this project to take an in depth look at all of the options. Once reviewed, we hope they will conclude that the safest and most efficient choice would be a roundabout.

Like anything that is new, a roundabout may seem “awkward” during the first drive through, but after a couple of times, we think drivers will realize the ease of use and its sensibility. Roundabouts are becoming more and more popular for a great reason. Try one, you’ll like it.

Thank you,
Beth and Ron Edgley

**RESOLUTION TO CHANGE THE NUMBER OF MEMBERS ON THE PARKS AND TRAILS
ADVISORY BOARD AMEND THE BY-LAWS**

WHEREAS, the Parks and Trails Advisory Board has vacancies as a result of the expiration of three terms that were served by Jason Smith, Andrea Audi and Marijke Ormel; and

WHEREAS, the current member of the Parks and Trails Advisory Board have reviewed six letters of interest that were received from individuals interested in serving on the Village of Saranac Lake Parks and Trails Advisory Board; and

WHEREAS, the members of the Parks and Trails Advisory Board recommend appointing three qualified individuals to the board based on their skills, interests, community connections, and backgrounds; and

NOW, THEREFORE BE IT RESOLVED, the Saranac Lake Village Board of Trustees hereby appoints Sara Roth, Colleen O'Neill, and Ezra Schwartzberg to the Parks and Trails Advisory Board.

Parks & Trails Advisory Board,

I would like to be considered to fill a vacant member position on the Parks & Trails Advisory Board.

I have been a resident and home owner in Saranac Lake (29 Ironwood Way), though not in the Village, for 7 years now. I work from my home as a Project Manager for ADP, managing multiple projects for their Finance Advisory Board, and acting as a Program Manager for their Finance Academy.

When I moved here in 2013, I immediately immersed myself in volunteering and becoming a part of this community. I am out in it as much as possible in my free time. Every day, you'll find me shopping, eating and recreating in Downtown, the Village and its surrounding areas. This is truly my home for many reasons, including the warm people, the special traditions, and the amazing environment we are blessed with. I never stop feeling lucky to be here and I don't ever plan to leave.

I'm an active member of the following local organizations and part of committees which coordinate events that have an impactful presence in Downtown and its surrounding areas:

- Saranac Lake Winter Carnival Committee: Member since 2013, Publicity Manager, Ice Palace Worker, and Event Manager for Arctic Golf in Prescott Park.
- Saranac Lake Skate Path Committee: Founding Member since 2018.
- Saranac Lake Street Fest Committee: Founding Member since 2018.
- Tri-Lakes Humane Society: Volunteer since 2015
- Franklin and Essex County Animal Response Team (CART): Volunteer since 2019.
- Saranac Lake Fish and Game Club: Member since 2018.

In the past, I've been involved with Saranac Lake ArtWorks, as a Steering Committee Member and Artist Member, and a member of the Saranac Lake Women's Civic Chamber. I've also volunteered for events including Cycle Adirondacks, First Night, Saranac River Clean-up, Farm2Fork Festival, and every year I participate in the Saranac Lake Clean-up Day event in spring to remove debris from the Lake Flower Boat Launch parking lot and Prescott Park.

I'm an avid outdoor recreationist in all seasons and I'm passionate about our local parks and trails. I personally use many of Saranac Lake's parks. Some of my favorites are Berkeley Green to soak in the Downtown experience during my lunch break, and walking my dog most days in Prescott and Riverside Parks. I kayak from the Lake Flower boat launch almost every night in summer, and in winter I hike with my dog every weekend on the snowmobile trails off Route 86 near the railroad tracks. The parks in our village have different offerings, and I appreciate them all.

Because I use and enjoy our parks and trails, I have direct experience and ideas on how to improve them. Due to my extensive involvement in our community, I also have good relationships with some of the Village staff and have either worked with them on committees or work with them through my committees which partner with the Village. I also partner closely with the Saranac Lake Area Chamber of Commerce and ROOST through many of my committees.

I understand the local and visitor perspective of Saranac Lake through both personal and professional associations here. I've wanted to get more involved in community revitalization efforts and with local government for many years now, and I think this is an excellent opportunity to do both. I have skills and experience that could benefit the Board, Saranac Lake, and its residents and visitors. I also have a passion for your mission and would find great satisfaction in being part of protecting and improving the place that I deeply love.

Thank you in advance for your time and consideration. Please let me know if you need more information or have questions.

Sincerely,

Colleen O'Neill

To whom this may concern:

I was interested in being apart of the parks and trails community advisory board. I am an avid user of our numerous trail systems and recreate throughout the Adirondack Park. I enjoy trail running, mountain biking, road biking, hiking, ski touring and backcountry skiing. I would like to be involved in the exchange of ideas concerning how to better manage existing community areas. I think our community as a whole is in a unique time period, as we have had two major hotels move into the areas bringing more tourism. I personally believe that the increase in tourism is economically beneficial to our town and can only positively help revitalize and highlight our unique community. Saranac Lake has so much to offer to tourists and residents themselves. I would like to be apart of planning for higher use areas so that these places can remain sustainable and protected from degradation. Many of our trail networks have seen an influx in use over the last decade and I believe it's important as a community to plan and provide education for stewardship of our environment. As a teacher in the area I believe public spaces also provide a space to educate the public about topics relating to outdoor recreation.

In the past I rarely used are numerous public parks and spaces. I would spend most of time accessing summits and wilderness areas. I have recently become a mother and have realized the real value a public space provides for our children and for the community as a whole. As a board member I would be happy to find ways to sustain and also improve these public spaces. We have the privilege to live in a beautiful area surrounded by pristine natural resources, while at the same time many community members remain underprivileged and underrepresented. I believe this planning board can help disadvantaged families in our community by providing quality access and recreation to free public spaces in our town.

I would be excited to be a member of the board and help further the access to are growing network of public spaces. I truly believe connecting are community to open spaces in the beautiful Adirondack Park is important and worth the effort. Instilling an appreciation in open spaces leads the way for conservation and a love for our natural world. I would like to be involved in continuing our townships already thriving spaces and also creating opportunities for these spaces to improve throughout the years to come.

Thanks you for your consideration.

Sincerely,

Sara Roth

The Village of Saranac Lake

Saranac Lake, NY 12983

January 9, 2020

Dear Lindy Ellis,

I am interested in serving as a Board Member of the Parks and Trails Advisory Board for the Village of Saranac Lake. I am a resident of the Town of Brighton and live on Split Rock Road in Saranac Lake, but I have an office at 73 Church Street in the Village. If you are able to make an exception to my residency, I am interested in serving on this board.

I have professional and recreation experience that match with your desired qualifications that you've outlined on your Board Member Position Description on your website. I am also a long-time resident of Saranac Lake and have familiarity with current parks and recreational opportunities on private, municipal and state lands in the region.

For related professional experience, I own and operate Adirondack Research, an ecological consulting firm that works in the areas of invasive species monitoring and control, land use research, and GIS mapping. I also produce and sell a line of recreational maps under the brand Green Goat Maps that include outdoor recreation maps of the area. Some of the projects I've been involved with through my business include advising environmental groups on state land classification, developing community engagement programs for land conservancies and state invasive species agencies, and performing GIS map analyses for state and local government.

I'm also active outdoors and enjoy cross country and downhill skiing, hiking, mountain biking and water activities. I've enjoyed the resources offered in our community and would be interested in volunteering in the capacity of a board member.

I have experience serving on boards, mostly as Budget Director or Treasurer and am good with budget work and with grant-writing. Locally, I've most recently served on the board of Northern Lights School.

Please let me know if you have any other questions about my interests or skills relating to your needs for new board members.

With best regards,

Dr. Ezra Schwartzberg

Any reasonable cost incurred by Lessee in order to cure such a default by Lessor shall be due immediately from Lessor, together with interest.
