ABSTRACT OF CLAIMS FOR VILLAGE OF SARANAC LAKE

The claims set forth bearing numbers _____ to _____ have been audited and allowed by us being the Mayor & Trustees of the Village Board.

Mayor/Trustee: _____ Date: _____

TO THE TREASURER OF THE VILLAGE

You are hereby authorized and directed to pay to the order of the following vendors the various amounts in payment of Claims hereinafter set forth, numbered the same as above inclusive, which have been audited and allowed and are chargeable to the fund and appropriation account as designated.

SIGN THE PETITION

High Peaks Democratic Socialists of America (DSA) seeks to express our collective horror at the cold-blooded murder of George Floyd by officers in the Minneapolis, Minnesota police force and our solidarity with the black Americans and citizens of all races who have taken to the streets to peacefully protest police brutality and state-sanctioned racism in our country. While High Peaks DSA recognizes that the Saranac Lake police department maintains a relatively positive relationship with the village community, we call for the Village Board to adopt an ordinance that explicitly condemns police brutality in light of the murder of George Floyd and implements a zero-tolerance policy towards abusive policing. By explicitly condemning police brutality, the Village of Saranac Lake will signal itself as a safe space for diverse communities. High Peaks DSA also calls for the Village Board and Police Department to partner with village residents to establish a system of community oversight to ensure cooperation, accountability and justice for all.

SIGN THE PETITION

High Peaks Democratic Socialists of America (DSA) seeks to express our collective horror at the cold-blooded murder of George Floyd by officers in the Minneapolis, Minnesota police force and our solidarity with the black Americans and citizens of all races who have taken to the streets to peacefully protest police brutality and state-sanctioned racism in our country. While High Peaks DSA recognizes that the Saranac Lake police department maintains a relatively positive relationship with the village community, we call for the Village Board to adopt an ordinance that explicitly condemns police brutality in light of the murder of George Floyd and implements a zero-tolerance policy towards abusive policing. By explicitly condemning police brutality, the Village of Saranac Lake will signal itself as a safe space for diverse communities. High Peaks DSA also calls for the Village Board and Police Department to partner with village residents to establish a system of community oversight to ensure cooperation, accountability and justice for all.

A resolution to approve the installation of the Raining Poetry project in downtown Saranac Lake as proposed by the Arts and Culture Advisory Board, with sponsorship by the Adirondack Center for Writing.

Chair Mayor Rabideau called for a motion.
Motion: Unanimous First and Second
Roll Call: All in Favor

**RESOLUTION APPROVING THE RAINING POETRY PROJECT FOR DOWNTOWN
SARANAC LAKE**

WHEREAS, the Board of Trustees recently created the Saranac Lake Arts and Culture Advisory Board to make recommendations on policy and actions that facilitate implementation of the Village of Saranac Lake Arts and Culture Master Plan;

WHEREAS, the Village of Saranac Lake recognizes the importance and impact of arts and culture in driving economic development and contributing to the quality of life in the community; and

WHEREAS, the Arts and Culture Master Plan for the Village of Saranac Lake includes a recommendation to visually brand the Village as an arts and cultural destination through public art; and

WHEREAS, a member of the Arts and Culture Advisory Board has proposed a creative public art project for downtown Saranac Lake with sponsorship provided by the Adirondack Center for Writing; and

WHEREAS, the Arts and Culture Advisory Board drafted the Raining Poetry Overview and seeks approval from the Village Board to implement the project as described;

NOW, THEREFORE BE IT RESOLVED, the Board of Trustees hereby approves the Raining Poetry Project and authorizes the members of the Arts and Culture Advisory Board to paint the poems in the six identified locations, with assistance from the Adirondack Center for Writing.

ADIRONDACK CENTER for WRITING

Bringing people and words together

Arts and Culture Advisory Board proposes a new program, “Raining Poetry” sponsored by the Adirondack Center for Writing (ACW).

Overview

Short poems will appear on sidewalks throughout downtown Saranac Lake, sprayed with an eco-friendly biodegradable paint that is invisible when it is dry; it can only be seen when it is wet. This will be a celebration of rainy weather, something to enjoy rather than to avoid. Our weather here is unpredictable and rarely sunny for long. Rainy weather brings locals and tourists alike out of the woods and into town and when they come, they will be greeted by poetry at their feet.

How will the poems be selected? ACW will collect a series of appropriate poems, written by both local and nationally acclaimed poets, and allow the community to make the final selections. The voting process will take place online and will be completed by the end of June.

Once the poems have been selected, we will use stencils to spray paint the poems in 6 proposed locations. We plan to have the poems in place by mid-July at the latest. The paint will last 2-4 months and can be re-sprayed if we wish.

This project is an easy, low cost way to set Saranac Lake apart from other communities and to show how decidedly different we really are.

**AUTHORIZING VILLAGE MANGER TO SIGN A CONTRACT FOR SHARED
HIGHWAY SERVICES ON BEHALF OF THE VILLAGE**

RESOLUTION authorizing the Village Manager to sign a contract on behalf of the Village of Saranac Lake to permit the Department of Public Works Superintendent to share services with highway department heads in other municipalities who possess similar authorization for the borrowing or lending of materials and supplies and the exchanging, leasing, renting or maintaining of machinery and equipment, including the operators thereof, for the purpose of aiding the highway department head in the performance of his duties.

Whereas, all municipalities, including the Village of Saranac Lake have the power and authority to contract with other municipalities for the purpose of renting, leasing, exchanging, borrowing or maintaining of machinery and equipment, with or without operators; and

Whereas, all municipalities, including the Village of Saranac Lake, have the power and authority to borrow or lend materials and supplies to other municipalities; and

Whereas, it is hereby determined that the Village of Saranac Lake and other municipalities have machinery and equipment which is not used during certain periods; and

Whereas, it is determined that the Village of Saranac Lake and other municipalities often have materials and supplies on hand which are not immediately needed; and

Whereas, it is hereby determined that by renting, borrowing, exchanging, leasing or maintaining highway machinery and equipment and the borrowing or lending of materials and supplies, the Village of Saranac Lake and other municipalities may avoid the necessity of purchasing certain needed highway machinery and equipment and the purchasing, or storing, of a large inventory of certain extra materials and supplies, thereby saving money for the taxpayers; and

Whereas, it is recognized and determined, from a practical working arrangement, that no program of borrowing, exchanging, leasing, renting or maintaining of highway machinery and equipment or borrowing or lending of materials can be successful if each individual arrangement or agreement must receive prior approval by the Village of Saranac Lake and the governing board of each of the other municipalities which may be parties to such agreements, since such agreements must often be made on short notice and at times when governing boards are not in session; and

Whereas, it is incumbent upon each municipality to design a simple method whereby materials, supplies, equipment and machinery, including the operators thereof, may be obtained or maintained with a minimum of paperwork and inconvenience and with a swift approval process; and

Whereas, it is the intent of the Village of Saranac Lake Board of Trustees to give the Department of Public Works Superintendent the authority to enter into renting, exchanging, borrowing, lending or maintaining arrangements with the persons serving in similar capacities in other municipalities without the necessity of obtaining approval of the Village of Saranac Lake prior to the making of each individual arrangement; and

Whereas, a standard contract has been prepared which is expected to be adopted and placed into effect in other municipalities, and will grant the person holding the position comparable to that of the head of the highway department in each of those other municipalities the authority to make similar arrangements; and

Whereas, it is hereby determined that it will be in the best interests of the Village of Saranac Lake to be a party to such shared services arrangements.

NOW THEREFORE, BE IT RESOLVED that the Village Manager of the Village of Saranac Lake is hereby authorized to sign the following contract on behalf of the Village:

"CONTRACT FOR SHARED HIGHWAY SERVICES

"1. For purposes of this contract, the following terms shall be defined as follows:

"a) 'Municipality' shall mean any county, town or village which has agreed to be bound by a contract for shared services or equipment similar in terms and effect with the contract set forth herein, and has filed a copy of said contract with the Clerk of the Village of Saranac Lake.

"b) 'Contract' shall mean the text of this agreement which is similar in terms and effect with comparable agreements, notwithstanding that each such contract is signed only by the chief executive officer of each participating municipality filing the same, and upon such filing each filing municipality accepts the terms of the contract to the same degree and effect as if each chief executive officer had signed each individual contract.

"c) 'Shared Service' shall mean any service provided by one municipality for another municipality that is consistent with the purposes and intent of this contract and shall include but not be limited to:

"i) the renting, exchanging, or lending of highway machinery, tools and equipment, with or without operators;

"ii) the borrowing or lending of supplies between municipalities on a temporary basis conditioned upon the replacement of such supplies or conditioned upon the obtaining of equal value through the provision of a service by the borrower or by the lending of equipment by the borrower, the value of which is equal to the borrowed supplies;

"iii) the providing of a specific service for another municipality, conditioned on such other municipality providing a similar service, or a service of equal value, in exchange.

"iv) the maintenance of machinery or equipment by a municipality for other municipalities.

"d) 'Superintendent' shall mean, in the case of a county, the county superintendent of highways, or the person having the power and authority to perform the duties generally performed by county superintendents of highways; in the case of a town, the town superintendent of highways; and in the case of a village, the superintendent of public works.

"2. The undersigned municipality has caused this agreement to be executed and to bind itself to the terms of this contract, and it will consider this contract to be applicable to any municipality which has approved a similar contract and filed such contract with the Clerk of the Village of Saranac Lake

"3. The Village of Saranac Lake by this agreement grants unto the Superintendent of Public Works the authority to enter into any shared service arrangements with any other municipality or other municipalities subject to the following terms and conditions:

"a) The Village of Saranac Lake agrees to rent, exchange or borrow from any municipality any and all materials, machinery and equipment, with or without operators, which it may need for the purposes of the Village of Saranac Lake. The determination as to whether such machinery, with or without operators, is needed by the Village of Saranac Lake shall be made by the Department of Public Works Superintendent. The value of the materials or supplies borrowed from another municipality under this agreement may be returned in the form of similar types and amounts of materials or supplies, or by the supply of equipment or the giving of services of equal value, to be determined by mutual agreement of the respective superintendents.

"b) The Village of Saranac Lake agrees to rent, exchange or lend to any municipality any and all materials, machinery and equipment, with or without operators, which such municipality may need for its purposes. The determination as to whether such machinery or material is available for renting, exchanging or lending shall be made by the Department of Public Works Superintendent.

In the event the said Superintendent determines that it will be in the best interests of the Village of Saranac Lake to lend to another municipality, the said Superintendent is hereby authorized to lend to another municipality. The value of supplies or materials loaned to another municipality may be returned to the Village of Saranac Lake by the borrowing municipality in the form of similar types and amounts of materials or supplies, or by the use of equipment or receipt of services of equal value, to be determined by the respective superintendents.

"c) The Village of Saranac Lake agrees to repair or maintain machinery or equipment for any city/county/town/village under terms that may be agreed upon by the Department of Public Works Superintendent, upon such terms as may be determined by the Department of Public Works Superintendent.

"d) An operator of equipment rented or loaned to another municipality, when operating such equipment for the borrowing municipality, shall be subject to the direction and control of the superintendent of the borrowing municipality in relation to the manner in which the work is to be completed. However, the method by which the machine is to be operated shall be determined by the operator.

"e) When receiving the services of an operator with a machine or equipment, the receiving superintendent shall make no request of any operator which would be inconsistent with any labor agreement that exists for the benefit of the operator in the municipality by which the operator is employed.

"f) The lending municipality shall be liable for any negligent acts resulting from the operation of its machinery or equipment by its own operator. In the event damages are caused as a result of directions given to perform work, then the lending municipality shall be held harmless by the borrowing municipality.

"g) Each municipality shall remain fully responsible for its own employees, including salary, benefits and worker's compensation. Each municipality shall be liable for salaries and other compensation due to their own employees for the time the employees are undertaking a joint service pursuant to this contract, however the borrowing municipality shall reimburse the lending municipality for actual and necessary expenses upon receipt of written notice of such claim.

"4. The renting, borrowing, leasing, repairing or maintaining of any particular piece of machinery or equipment, or the exchange or borrowing of materials or supplies, or the providing of a specific service, shall be evidenced by the signing of a memorandum by the Department of Public Works Superintendent. Such memorandum may be delivered to the other party via mail, personal delivery, facsimile machine, or any other method of transmission agreed upon. In the event there is no written acceptance of the memorandum, the receipt of the materials or supplies or the acceptance of a service shall be evidence of the acceptance of the offer to rent, exchange or lend.

"5. In the event any shared services arrangement is made without a memorandum at the time of receipt of the shared service, the superintendent receiving the shared service shall, within five days thereof, send to the provider a memorandum identifying the type, time and date of the acceptance of the repair or maintenance shared service. In the event such shared service related to or included any materials or supplies, such memorandum shall identify such materials or supplies and the time and place of delivery.

"6. In the event a municipality wishes to rent machinery or equipment from another municipality or in the event a municipality wishes to determine the value of such renting for the purposes of exchanging shared services of a comparable value, it is agreed that the value of the shared Service shall be set forth in the memorandum.

"7. All machinery and the operator, for purposes of worker's compensation, liability and any other relationship with third parties, except as provided in paragraph e of section three of this agreement, shall be considered the machinery of, and the employee of, the municipality owning the machinery and equipment.

"8. In the event machinery or equipment being operated by an employee of the owning municipality is damaged or otherwise in need of repair while working for another municipality, the municipality owning the machinery or equipment shall be responsible to make or pay for such repairs. In the event machinery or equipment is operated by an employee of the borrowing, receiving or renting municipality, such municipality shall be responsible for such repairs.

"9. Records shall be maintained by each municipality setting forth all machinery rentals, exchanges, borrowings, repair or maintenance and other shared services. Such records will be available for inspection by any municipality which has shared services with such municipality.

"10. In the event a dispute arises relating to any repair, maintenance or shared service, and in the event such dispute cannot be resolved between the parties, such dispute shall be subject to mediation.

"11. Any party to this contract may revoke such contract by filing a notice of such revocation. Upon the revocation of such contract any outstanding obligations shall be settled within thirty days of such revocation unless the parties with whom an obligation is due agree in writing to extend such date of settlement.

"12. Any action taken by the Village of Saranac Lake Department of Public Works Superintendent pursuant to the provisions of this contract shall be consistent with the duties of such official, and expenditures incurred shall not exceed the amounts set forth in the Village budget for highway purposes.

"13. A record of all transactions that have taken place as a result of the Villager of Saranac Lake participating in the services afforded by this contract shall be kept by the Superintendent of Public Works, and a statement thereof, in a manner satisfactory to the Village Board, shall be submitted to the Village Board semiannually on or before the first day of June, and on or before the first day of December, of each year following the filing of the contract, unless the Village Board requests the submission of records at different times and dates.

"14. If any provision of this contract is deemed to be invalid or inoperative for any reason, that part shall be deemed modified to the extent necessary to make it valid and operative, or if it cannot be so modified, then it shall be severed, and the remainder of the contract shall continue in full force and effect as if the contract had been signed with the invalid portion so modified or eliminated.

"15. This contract shall be reviewed each year by the Village of Saranac Lake and shall expire five years from the date of its signing by the Village Manager. The Village Board may extend or renew this contract at the termination thereof for another five-year period.

"16. Copies of this contract shall be sent to the clerk and the superintendent of each municipality with which the Department of Public Works Superintendent anticipates engaging in shared services. No shared services shall be conducted by the Department of Public Works Superintendent except with the superintendent of a municipality that has completed a shared services contract and has sent a copy thereof to the clerk of his or her municipality and the Department of Public Works Superintendent."

"IN WITNESS THEREOF, the said Village of Saranac Lake has by order of the Village Board caused these presents to be subscribed by the Village Manager this 8th day of July, 2020.

ATTEST:

Village of Saranac Lake, by:

Kareen Tyler
Village Clerk

John Sweeney, Village

The Village Clerk is authorized and directed to file a copy of the foregoing contract as set forth in this resolution with the chief executive officer of the following municipalities:

Town of Franklin

Franklin County

Town of Brighton

Town of Harrietstown

Town of St. Armand

Village of Tupper

Town of Santa Clara

Town of North Elba

Village of Lake Placid

Essex County

Town of Piercefield

Town of Tupper Lake

All other municipalities as needed

This resolution shall take effect immediately.

VILLAGE OF SARANAC LAKE WATERFRONT ASSESSMENT FORM (WAF)

Section A. Instructions

Instructions: Applicants or, in the case of direct actions, Village agencies, shall complete this WAF for proposed actions which are subject to the LWRP consistency review law. This assessment is intended to supplement other information used by a Village agency in making a determination of consistency with the Village's Local Waterfront Revitalization Program.

Before answering the questions in Section C, the preparer of this form should review the policies and explanations of policy contained in the Local Waterfront Revitalization Program (LWRP), a copy of which is on file in the Village of Saranac Lake Offices, 3 Main Street, Saranac Lake, NY 12983 or online at www.saranaclakeny.gov. A proposed action should be evaluated as to its significant beneficial and adverse effects upon the waterfront area.

If any question in Section C on this form is answered "yes", then the proposed action may affect the achievement of the LWRP policy standards and conditions contained in the consistency review law. Thus, the actions should be analyzed in more detail and, if necessary, modified prior to making a determination that it is consistent to the maximum extent practicable with the LWRP policy standards and conditions. If an action cannot be certified as consistent with the LWRP policy standards and conditions, it shall not be undertaken.

SECTION B. Description of Site and Proposed Action

1. Name of applicant: Village of Saranac Lake		3. Telephone Number: 518-891-4150	
2. Mailing address: 39 Main St		5. Tax Map # (s): N/A	
4. Location of action: N/A		7. Present land use(s): N/A	
6. Size of site: N/A		9. Percentage of site which contains slopes of 15% or greater: N/A	
8. Present zoning classification: N/A		10. Type of action (check appropriate response) <input type="checkbox"/> Directly undertaken (e.g. capital construction, planning activity, agency regulation, land transaction) <input type="checkbox"/> Financial assistance (e.g. grant, loan, subsidy) <input type="checkbox"/> Permit, approval, license, certification <input checked="" type="checkbox"/> Agency undertaking action: Village of Saranac Lake	
11. Streams, lakes, ponds, or wetlands existing within or continuous to the project area? <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes If yes, Waterbody Name: _____ Waterbody Size (in acres): _____			
12. Describe nature and extent of action: Local Law			
13. Describe any unique or unusual land forms on the project site (i.e. bluffs, ground depressions, other geological formations):			
14. Will the action be directly undertaken, require funding, or approval by a State or Federal Agency? <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes If yes, which State or Federal Agency?			

SECTION C. Waterfront Assessment (To be completed by reviewing agency)

	YES	NO
1. Will the proposed action have a significant effect upon:		
(a) Commercial or recreational use of fish and wildlife resources	<input type="checkbox"/>	<input type="checkbox"/>
(b) Scenic quality of the waterfront environment?	<input type="checkbox"/>	<input type="checkbox"/>
(c) Development of future, or existing water dependent uses?	<input type="checkbox"/>	<input type="checkbox"/>
(d) Stability of the shoreline?	<input type="checkbox"/>	<input type="checkbox"/>
(e) Surface or groundwater quality?	<input type="checkbox"/>	<input type="checkbox"/>
(f) Existing or potential public recreation opportunities?	<input type="checkbox"/>	<input type="checkbox"/>
(g) Structures, sites or districts of historic, archeological or cultural significance to the Village, State or nation?	<input type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action involve or result in any of the following:	YES	NO
(a) Physical alteration of land along the shoreline, land under water or coastal waters?	<input type="checkbox"/>	<input type="checkbox"/>
(b) Physical alteration of two (2) acres or more of land located elsewhere in the waterfront area?	<input type="checkbox"/>	<input type="checkbox"/>
(c) Expansion of existing public services or infrastructure in undeveloped or low density areas of the waterfront area?	<input type="checkbox"/>	<input type="checkbox"/>
(d) Energy facility not subject to Article VII or VIII of the Public Service Law?	<input type="checkbox"/>	<input type="checkbox"/>
(e) Mining, excavation, filling or dredging?	<input type="checkbox"/>	<input type="checkbox"/>
(f) Reduction of existing or potential public access to or along the shore?	<input type="checkbox"/>	<input type="checkbox"/>
(g) Sale or change in use of publicly-owned lands located on the shoreline or under water?	<input type="checkbox"/>	<input type="checkbox"/>
(h) Development within designated flood hazard area?	<input type="checkbox"/>	<input type="checkbox"/>
(i) Development on a natural feature that provides protection against flooding or erosion?	<input type="checkbox"/>	<input type="checkbox"/>
(j) Diminished surface or groundwater quality?	<input type="checkbox"/>	<input type="checkbox"/>
(k) Removal of ground cover from the site?	<input type="checkbox"/>	<input type="checkbox"/>
3. Project:	YES	NO
(a) If a project is to be located adjacent to shore:		
(1) Will water-related recreation be provided?	<input type="checkbox"/>	<input type="checkbox"/>
(2) Will public access to the shoreline be provided?	<input type="checkbox"/>	<input type="checkbox"/>
(3) Does the project require a waterfront site?	<input type="checkbox"/>	<input type="checkbox"/>
(4) Will it supplant a recreational or maritime use?	<input type="checkbox"/>	<input type="checkbox"/>
(5) Do essential public services and facilities presently exist at or near the site?	<input type="checkbox"/>	<input type="checkbox"/>
(6) Is it located in a flood prone area	<input type="checkbox"/>	<input type="checkbox"/>
(7) Is it located in an area of high erosion	<input type="checkbox"/>	<input type="checkbox"/>
(b) If the project site is publicly owned:		
(1) Will the project protect, maintain and/or increase the level and types of public access to water-related recreation resources and facilities?	<input type="checkbox"/>	<input type="checkbox"/>
(2) If located in the foreshore, will access to those and adjacent lands be provided?	<input type="checkbox"/>	<input type="checkbox"/>
(3) Will it involve the siting and construction of major energy facilities?	<input type="checkbox"/>	<input type="checkbox"/>
(4) Will it involve the discharge of effluents from major steam electric generating and industrial facilities into a waterway	<input type="checkbox"/>	<input type="checkbox"/>
(c) Is the project site presently used by the community as an open space or recreation area?	<input type="checkbox"/>	<input type="checkbox"/>
(d) Does the present site offer or include scenic views or vistas known to be important to the community?	<input type="checkbox"/>	<input type="checkbox"/>
(e) Will the surface area of any waterways or wetland areas be increased or decreased by the proposal?	<input type="checkbox"/>	<input type="checkbox"/>
(f) Will the project involve any waste discharges?	<input type="checkbox"/>	<input type="checkbox"/>
(g) Does the project involve surface or subsurface liquid waste disposal?	<input type="checkbox"/>	<input type="checkbox"/>
(h) Does the project involve transport, storage, treatment or disposal of solid waste or hazardous material?	<input type="checkbox"/>	<input type="checkbox"/>
(i) Does the project involve shipment or storage of petroleum products?	<input type="checkbox"/>	<input type="checkbox"/>
(j) Does the project involve discharge of toxics, hazardous substances or other pollutants?	<input type="checkbox"/>	<input type="checkbox"/>
(k) Will the project affect any area designated as a freshwater wetland?	<input type="checkbox"/>	<input type="checkbox"/>
(l) Will the project alter drainage flow, patterns or surface water runoff on or from the site	<input type="checkbox"/>	<input type="checkbox"/>
(m) Will best management practices be utilized to control storm water runoff into waterways?	<input type="checkbox"/>	<input type="checkbox"/>
(n) Will the project cause emissions which exceed Federal or State air quality standards or generate significant amounts of nitrates or sulfates?	<input type="checkbox"/>	<input type="checkbox"/>

SECTION D. Remarks or Additional Information

For questions answered "Yes" in Section C, explain methods you will undertake to reduce adverse effects. Review the LWRP to see if the project is consistent with each policy. List policies the project is not consistent with and explain all mitigating actions. Add any additional sheets necessary to complete this form.

SECTION E. Preparer Information

Preparer's Name (Please print): Paul Blaine

Title: Development Code Administrator

Organization Name: Village of Saranac Lake

Phone Number: 518-891-4150 ext. 236

Signature: *Paul Blaine*

Date: 6/4/2020

SECTION F. Determination of LWRP Consistency (To be completed by the Planning Board)

The Village of Saranac Lake Planning Board finds that the above referenced project is:

- consistent with LWRP policy standards and conditions.
- not consistent with LWRP policy standards and conditions and shall not be undertaken.

**RESOLUTION OF THE
VILLAGE OF SARANAC LAKE BOARD OF TRUSTEES**

SUBJECT: RESOLUTION RECOGNIZING UNLISTED SEQR ACTION

WHEREAS, in 2016 the Village Board adopted the Village of Saranac Lake Unified Development Code; and

WHEREAS, amendments to the Code are allowed for purposes of public necessity, convenience and the general welfare, and

WHEREAS, the Board has received draft Village Development Code amendments; and

WHEREAS, in consideration of the circumstances as described above the Board needs to amend the Village of Saranac Lake Unified Development Code; and

WHEREAS, the Saranac Lake Village Board of Trustees held a public hearing on May 11, 2020, to consider a local law amending the Village of Saranac Lake Unified Development Code, as more fully set forth in the text of the Local Law; and

WHEREAS, the Board must evaluate all proposed actions submitted to it for its consideration that may affect the environment in light of the State Environmental Quality Review Act ("SEQR") and the regulations promulgated thereunder, and

WHEREAS, the required environmental assessment will be conducted by the Board; and

WHEREAS, the Board desires to serve and act as the lead agency for the purposes of SEQR; and

WHEREAS, this project is an Unlisted action for the purposes of SEQRA as it adopts amendments to the Development Code; and;

NOW, THEREFORE, BE IT RESOLVED, the Board makes the following findings and determinations with respect to the proposed project:

(1) That the proposed Development Code amendments have been determined not to have a significant impact on the environment and a negative declaration is issued.

Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information			
Village of Saranac Lake Board of Trustees			
Name of Action or Project: Amendment of Village Development Code			
Project Location (describe, and attach a location map): Village of Saranac Lake			
Brief Description of Proposed Action: Proposed adoption of amendment to the Village of Saranac Lake Development Code			
Name of Applicant or Sponsor: Village of Saranac Lake		Telephone: 518-891-4150	
Address: 39 Main Street		E-Mail: cec2@saranacklakeny.gov	
City/PO: Saranac Lake		State: NY	Zip Code: 12983
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input checked="" type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other government Agency? If Yes, list agency(s) name and permit or approval:			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
3. a. Total acreage of the site of the proposed action? _____ acres			
b. Total acreage to be physically disturbed? _____ acres			
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? _____ acres			
4. Check all land uses that occur on, are adjoining or near the proposed action:			
5. <input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input type="checkbox"/> Residential (suburban)			
<input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other(Specify):			
<input type="checkbox"/> Parkland			

5. Is the proposed action, a. A permitted use under the zoning regulations? b. Consistent with the adopted comprehensive plan?	NO	YES	N/A
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area? If Yes, identify: _____	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
8. a. Will the proposed action result in a substantial increase in traffic above present levels? b. Are public transportation services available at or near the site of the proposed action? c. Are any pedestrian accommodations or bicycle routes available on or near the site of the proposed action?	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
	<input type="checkbox"/>	<input type="checkbox"/>	
	<input type="checkbox"/>	<input type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements? If the proposed action will exceed requirements, describe design features and technologies: _____ _____	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
10. Will the proposed action connect to an existing public/private water supply? If No, describe method for providing potable water: _____ _____	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
11. Will the proposed action connect to existing wastewater utilities? If No, describe method for providing wastewater treatment: _____ _____	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
12. a. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places? b. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
	<input type="checkbox"/>	<input type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency? b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody? If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____ _____ _____	NO	YES	
	<input type="checkbox"/>	<input type="checkbox"/>	
	<input type="checkbox"/>	<input type="checkbox"/>	

<p>14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply:</p> <p><input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional</p> <p><input type="checkbox"/> Wetland <input type="checkbox"/> Urban <input type="checkbox"/> Suburban</p>		
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO	YES
	<input type="checkbox"/>	<input type="checkbox"/>
16. Is the project site located in the 100-year flood plan?	NO	YES
	<input type="checkbox"/>	<input type="checkbox"/>
17. Will the proposed action create storm water discharge, either from point or non-point sources?	NO	YES
If Yes,	<input type="checkbox"/>	<input type="checkbox"/>
a. Will storm water discharges flow to adjacent properties?	<input type="checkbox"/>	<input type="checkbox"/>
b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)?	<input type="checkbox"/>	<input type="checkbox"/>
If Yes, briefly describe:		

18. Does the proposed action include construction or other activities that would result in the impoundment of water or other liquids (e.g., retention pond, waste lagoon, dam)?	NO	YES
If Yes, explain the purpose and size of the impoundment:	<input type="checkbox"/>	<input type="checkbox"/>

19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility?	NO	YES
If Yes, describe:	<input type="checkbox"/>	<input type="checkbox"/>

20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste?	NO	YES
If Yes, describe:	<input type="checkbox"/>	<input type="checkbox"/>

<p>I CERTIFY THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE</p> <p>Applicant/sponsor/name: <u>Village of Saranac Lake</u> Date: <u>6/8/2020</u></p> <p>Signature: _____ Title: <u>Mayor of Saranac Lake</u></p>		

Agency Use Only [If applicable]

Project:	Code Amendment
Date:	6/8/2020

**Short Environmental Assessment Form
Part 2 - Impact Assessment**

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

PRINT FORM

Project:	Code Amendment
Date:	6/8/2020

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
<input checked="" type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

**RESOLUTION
OF THE
VILLAGE OF SARANAC LAKE BOARD OF TRUSTEES**

SUBJECT: RESOLUTION AMENDING THE VILLAGE OF SARANAC LAKE UNIFIED DEVELOPMENT CODE

WHEREAS, in 2016 the Village Board adopted the Village of Saranac Lake Unified Development Code; and

WHEREAS, amendments to the Code are allowed for purposes of public necessity, convenience and the general welfare, and

WHEREAS, the Board has received draft Village Development Code amendments; and

WHEREAS, in consideration of the circumstances as described above the Board needs to amend the Village of Saranac Lake Unified Development Code; and

WHEREAS, the Saranac Lake Village Board of Trustees held a public hearing on May 11, 2020, to consider a local law amending the Village of Saranac Lake Unified Development Code, as more fully set forth in the text of the Local Law; and

WHEREAS, the Board has reviewed the proposed amendment for purposes of the State Environmental Quality Review Act (SEQRA) and determined that a negative declaration should be issued with respect to the proposed action; and

WHEREAS, the Board has reviewed the proposed amendments in regard to the Local Waterfront Revitalization Program and found it consistent and in accordance with the goals and objectives of the LWRP policies and standards; and

NOW, THEREFORE, BE IT RESOLVED, the Board makes the following findings and determinations with respect to the proposed project:

- (1) The Village of Saranac Lake Board of Trustees amends the Village Code with changes as set forth in Exhibit A
- (2) The amendment will become effective upon filing with the Secretary of State.

Exhibit A

Village of Saranac Lake Proposed Development Code amendment

Note: Edits to Section 106-88 in italics

§ 106-88 Electric and communications utility standards.

A. Underground installation of electrical and communications lines and facilities.

(1) **Applicability.** These standards shall apply to all electric facilities and to all communications facilities, including but not limited to telephone, telegraph, cable television, fiber optics and electrical communications facilities, with the following exceptions:

(a) Electric utility substations, pad-mounted transformers and switching facilities not located on the public right-of-way where site screening is or will be provided;

(b) Electric transmission systems (including poles and wires) of a voltage of more than 35,000 volts;

(c) Telephone pedestals, *wireless telecommunication antennas* and other equivalent communications facilities;

(d) Police and fire sirens, or any similar Village, county or state emergency services equipment, including traffic-control equipment.

(2) **Definitions.** The following terms, when used in this section, shall have the following definitions:

REBUILDS A placement of overhead facilities for a distance of three or more spans (four poles) or 500 feet exclusive of replacements due to casualty damage.

RELOCATIONS Removal of existing facilities with subsequent reinstallation at an adjacent location, generally necessitated by roadway improvements or widening projects.

SERVICES Facilities located on private property and/or for the specific purpose of servicing one customer.

(3) **General requirements.** All extensions, relocations, or rebuilds of existing overhead electric and communications facilities within the B1, B2, B3, B4, E1, E2, E3 and G Zoning Districts shall be installed underground.

B. Underground installation of electrical and communications services.

(1) All new electric or communications services from an overhead or underground facility to serve all buildings and structures shall be installed underground. All rebuilt or relocated electric or communications service from an overhead or underground facility to serve all buildings and structures shall be installed underground, except:

(a) Those services which only involve a change in the overhead service line without a change in the corresponding service entrance facilities; and

(b) Rebuilding or enlarging services feeding overhead to existing single-family dwellings, two-family dwellings and manufactured homes.

(2) Proposed new development shall provide for the undergrounding of utility facilities (e.g., cable television, data network, electrical, telephone, and similar distribution lines providing direct service to the site) in compliance with the following requirements:

(a) Nonresidential development. All utility facilities shall be installed underground within the site.

(b) New single-family dwelling, two-family dwelling and manufactured home development. All utility facilities on a site being developed with a new detached dwelling unit shall be installed underground within the property lines of the site.

(1) Risers on poles and structures are allowed and shall be provided by the developer or owner from the pole that provides services to the property.

(2) Where no developed underground system exists, utility service poles may be placed on the rear of the property to be developed only to terminate underground facilities.

(3) The developer or owner is responsible for complying with the requirements of this section and shall make the necessary arrangements with the affected utility providers for the installation of the facilities.

(4) The requirements of this subsection shall not apply when the cost of placing the services underground exceeds 50% of the cost of construction of the new dwelling unit or the new construction.

(c) Exemptions. A development located outside of the B1, B2, B3, B4, E1, E2, E3, and G Zoning Districts shall not be subject to the requirements of these standards if, as of the date of filing of a building permit application, the utility lines serving the site are located aboveground and there are no underground facilities within 100 feet of the site.

C. Wireless telecommunications facilities.

(1) Wireless facilities must be located in accordance with the following order of priority:

(a) Collocation on a site with existing wireless telecommunication facilities;

(b) Collocation on existing utility poles, or other wireless telecommunication facility support structures on lands owned or controlled by the Village, not including the public rights of way;

(c) On nonresidential zoned properties;

(d) On other lands owned or controlled by the Village including but not limited to the Village public right of way;

(e) Collocation on existing utility poles or other support structures in the public rights of way.

(f) No wireless facilities shall be allowed on ornamental street lighting poles

(2) Wireless facilities shall incorporate concealment elements to minimize visual impacts:

(a) All equipment shall be the smallest and least visibly intrusive feasible;

(b) Antennas located at the top of support structures shall be incorporated into the structure, or placed within shrouds of a size such that the antenna appears to be part of the support structure;

(c) Antennas placed elsewhere on a support structure shall be integrated into the structure, or be designed and placed to minimize visual impacts;

(d) Ground mounted or pole mounted equipment is prohibited in Zoning Districts requiring underground installation;

(e) Wiring and cabling shall be neat and concealed within conduit flush to the support structure.

(3) In addition to applicable wireless facility provisions listed in this section, any application to deploy within a public right of way owned or controlled by the Village must comply with the following requirements.

(a) License. An applicant must obtain a license agreement from the Board of Trustees, which costs shall be adopted by the Village Board and included in the Village's schedule of fees;

(b) To the extent permitted by law, the permittee, the owner(s) and operator(s), jointly and severally, at its/their sole cost and expense, shall defend, indemnify, protect and hold the Village and its elected and appointed officials, board members, agents, consultants, employees and volunteers harmless from and against all claims, suits, demands, actions, settlement costs (including but not limited to, attorney's fees, interest and expert witness fees) or award of damages, whether compensatory or punitive, which might arise out of, or are caused by, the placement, construction, erection, modification, location, product performance, use, operation, maintenance, repair, installation, replacement, removal, or restoration of said facility; excepting, however, any portion of such claims, suits, demands, causes of action or award of damages as may be attributable to the negligent or intentional acts or omissions of the Village or its servants or agents;

(c) Radio frequency emissions. A wireless facility shall not, by itself or in conjunction with other wireless facilities, generate radio frequency emissions in excess of the standards and regulations of the FCC. When a small wireless facility is complete, as-built readings will be taken and submitted to the Village Development Code Administrator.

Mr. John Sweeney
Village of Saranac Lake
39 Main Street
Saranac Lake, NY 12983

Subject: 3 Main Street Elevator Headhouse and Exterior Building Repairs –
Recommendation of Award

Dear Mr. Sweeney,

The bid opening for 3 Main Street Elevator Headhouse and Exterior Building Repairs project occurred on Tuesday, June 2nd. The apparent low bidder was:

PCC Contracting, Inc	Base Bid:	\$167,505.00
	Bid Alternate 1 – Main Roof Parapet and Cornice Restoration	\$20,960.00

Prior to the award of the bid, a decision needs to be made by the Board regarding the Bid Alternate 1 – Main Roof Parapet and Cornice Restoration. As soon as that decision is made, we will prepare a Notice of Award and the contracts.

We take no exception to awarding the contract to the apparent low bidder, as they are qualified to do the work and submitted a complete bid.

We look forward to continue to work with you and the Village on this project.

Best Regards,

Timothy J. Northrup, PE

Subject: 3 Main Elevator Headhouse - Award Recommendation
Attachments: 2020-06-04_Award Recommendation_3 Main.pdf; PCC Contracting References.jpg

John,

Attached is a letter of award recommendation for 3 Main. Please disregard the message I left a few minutes ago. Two references have got back to me since. Both are very positive. The Area Director from OGS said PCC has done a lot of terra cotta work on the state buildings in Albany and have had a very positive experience. Another engineer out of the Albany area said they have worked with them on dozens of successful restoration projects and they are one of only a few they would recommend for terra cotta. We feel good recommending for award.

Let me know if you have any questions. See you tomorrow at 1:00.

Thanks,
Tim

Thanks John, for the email.

The project would be just a pole replacement, not the fixture- the existing HPS lights would be reinstalled on the replacement pole.

If you wanted to just remove poles 77 through 80, that would solve the safety concern with poles 78 and 80, we wouldn't need to change out the three poles on the Canaras end, just leave them as they are.

We still need to replace pole 60 by the bridge at the Town Hall.... That one will be aluminum due to the underground feed.

Kareen,

Lets put this on the agenda for discussion. Basically I would propose that we have NG remove all but three and place with wooden poles.

Rich would the replacements be LED?

Subject: RE: EXT || RE: Lapan Highway lights

Good morning, John. I'm following up on this and our phone conversation of May 15. I've been contacted by our design supervisor looking for guidance on what to do regarding the deteriorated lights on Lapan Highway we've been talking about.

National Grid needs to take action in the very near future to address these lights- Poles 80 and 78 have been identified by National Grid, NYS DOT, and the Village as being a safety concern. In addition, we've also determined that pole 60, an older steel pole adjacent to the bridge next to the Town Hall, is also in need of replacement.

I know the Village has been considering what to do for some time now- eliminate or replace with wood or (or aluminum or concrete). The concern for safety is going to require National Grid to take action, and so I wanted to let you know that National Grid's plan is, unless we hear otherwise from the Village by June 15, to replace poles 78 and 80 with wood poles (least cost to the Village), and replace pole 60 with an aluminum pole (only option since steel is no longer offered).

I left a voice message this morning, please give me a call to discuss.

Thanks for your understanding.

Subject: RE: EXT || RE: Lapan Highway lights

John-

We have checked with National Grid's outdoor lighting group and determined that the Company cannot do a limited LED retrofit of poles 73-76 as we discussed back in February. The minimum number of lights to convert to LED is either 10% of the total or 100 lights, whichever is greater- in the Village's case it would be 100 lights. Conversion to LED would result in increased cost for the Village to purchase the system in the future.

If you have residents wanting to know what the LED's look like, the best place to see them is on the NCCC campus- the college has a streetlight district and the Company converted them to LED last year.

On the topic of removing lights, here is a summary of the facility savings if poles 78-80 were eliminated:

Pole L-80

- Pole, SD Steel OH =< 1SP -- \$179.04
- Foundation, FD Mech Screw Type -- \$110.52

Pole L-79

- Pole, SD Steel OH =< 1SP -- \$179.04
- Foundation, FD Concrete > 16' -- \$216.36

Pole L-78

- Pole, SD Steel OH =< 1SP -- \$179.04
- Foundation, FD Concrete > 16' -- \$216.36

Pole L-77

- Pole, SD Steel OH =< 1SP -- \$179.04
- Foundation, FD Concrete > 16' -- \$216.36

Annual Total - \$1,475.76

This is in addition to the approximately \$600 in energy for these lights- a savings of about \$2000-2100 per year if these lights are eliminated.

Again, poles 78 and 80 need immediate action taken- either removal or replacement. Replacement with wood poles would result in savings for steel pole and foundation. If poles 78 and 80 are removed, pole 79 would need to be removed as well, as overhead wire would not reach two spans.

I will give you a call to discuss.

I included the cost comparison for the LED replacements in my email the other day- The existing four lights are 150W HPS, about \$150 per year each, so about \$600 a year for the four. If they are converted to LED, the estimated cost is \$113 each, for a total of \$452 for the four per year, a savings of \$148 per year after the conversion.

If poles 77-80 are removed, the Village would save the full cost of the pole and light- the light and energy would be about \$600 for the four lights, and I'll ask Courtney to chime in with the cost for the pole and base.

Also, I've attached my November email with the options and costs to replace the deteriorated lights.

Thanks for meeting with Courtney and me on January 31 to discuss lighting options along Lapan Highway.

As we discussed, we can temporarily disable (for up to 30 days) some of the lights beyond Canaras and change over to LED's around the Canaras intersection to allow the Village to get feedback from the public. The LED change would be permanent.

National Grid requires a written request on Village letterhead to authorize the change. It should request temporarily disabling the lights on poles 77-80 (the four westernmost lights) and converting to LED's on poles 73-76. You'll also need to request an LED size- I've attached an equivalence guide for your use- the existing lights are 150W HPS, the equivalent is an LED "C".

Feel free to contact me or Courtney if you have any questions.
