5. Brainstorm session - [see separate sheet for brainstorming info](#)

We'll put the brainstorming ideas up on the Google Drive folder and people can add ideas throughout the month. Then at the next meeting, we will take time to prioritize ideas and make some decisions about what kind of projects we want to take on.

6. Next meeting: Wednesday, August 21

Kathy Ford will only be able to attend part of that meeting.

We will schedule the next batch of meetings there, so come with calendars ready and an idea of how many meetings we would like to get on the books.
