

DOWNTOWN ADVISORY BOARD

Work Session

July 14, 2021

8:30 AM

Walk & Talk from Riverside Park to Berkeley Green

Needs:

1. Weed maintenance around pavers at Main St Lot
2. Long-term: replace pavers at Main St Lot
3. Higher grade concrete for sidewalks (4000 psi or higher)
4. Flame thrower for weed maintenance?
5. Public Wi-Fi
 - a. Jerry draft a sign for Riverside Park
 - b. Kelly ask about SLIC contract for free Wi-Fi in other downtown locations

Questions:

1. What are electric outlets in Main St Lot used for?
 - a. Answer: as part of the lease agreement for the parking lot, the owner retains the right to grant permission for other groups to use the lot for events. The outlets are to provide electricity for such events (e.g. PSC installed a tent in the lot during Winter Carnival when the Hotel was closed)

Potential Projects:

1. Artist Alley (private project)
2. Mural at ArtRise (private project)
