

Urban and Community Forestry

Tree Inventory and Community Forest Management Plan

The Village of Saranac Lake was awarded a \$12,800 grant as part of the NYS DEC's Urban and Community Forestry Program. The village has contracted with the urban forestry consulting group, ArborPro Inc., to complete a tree inventory and a comprehensive urban forest management plan.

- The main questions for the public forum:
 - What ideas or suggestions do you have for maintaining and expanding the community forest?
 - What issues do you see with trees in parks or street trees?
 - What public spaces could use more trees?
